These items must be placed at the curb in front of your house, the same area that you place your other normal refuse items. When disposing of carpeting, it must be cut into strips not to exceed 6 feet and has to be rolled and tied. Pickup days are as follows:

Grass clippings, leaves and garden waste can be disposed of at the west end of the Industrial Park. Remove clippings from bags or containers.

- **BRUSH PICK UP:**

Brush will be picked up by the Street Department every other week, on the same weeks as curbside recycling. Please view the curbside recycling schedule on the village web site. Chipping will start on the north side of the railroad tracks, and the crew will move to the south side when the north is done. Stack the brush with the butt end toward the curb, and it should be cut into lengths no longer than six feet. Call the Street Dept at 446-2241 or the Village Office at 445-4726 to notify them when you have brush so it will be picked up.
